About S.M.M

Saraswati Mahila Mahavidyalaya was established in 1988 and is affiliated to M.D. University, Rohtak. The College is being run by a progressive society Saraswati Education Society (Regd.) which is committed to providing high quality education to the young girls of the area.

We are pioneer in the field of girls' education in the region. Over the years, SMM has carved a niche at high level among the academic institutions. SMM is highly acclaimed for disseminating knowledge and students grooming by the academicians, students and the general public. At present 11 undergraduate and 4 post graduate courses are being run by the institution.

This institution has materialized girls' dream of revealing inner potential by providing them excellent infrastructure, a spacious auditorium, conference hall, well equipped computer labs, Audio-Visual rooms, sports facilities, well stocked library, gymnasium and large lush green play grounds. Our students have been excellent not only in academics but also in other activities like Y.R.C, N.S.S, Sports and Cultural Events.

About Webinar

The information technology industry is experiencing a boom like never before and more and more brands are looking to expand in this area because of the immense amount of potential. New trends arise within this industry every year and it becomes important for professionals to be familiar with these different trends and all that they entail. Some Trends are as follows :-

Cloud Computing	Automation	Augmented Reality	Growth of IoT Networks
Artificial Intelligence	Block chain Data	Cyber Security	Computing Technologies
Smart Technology	Big Data Analytics	Rise Of Chat bots	Virtual Reality Mobile Apps

In addition to this, Department of Management covers a wide range of present market concepts and latest Managerial Practices to which we have to adapt, learn and utilize them as path towards increasing the response to market opportunities, corporate and personal excellence . Trends are

- Business Intelligence and Financial Accounting
- Vedic approaches in Management for Sustainable Development
- Cloud Based Accounting
- Total Quality Management
- Green Marketing
